

ELEVATED PARKING LOTS

If you go to the CEDA to buy or sell products, use one of the 3,224 parking drawers, which have lighting and security, and are open 24 hours a day.

They are eight elevated parking lots, whose entrance is by the main road and are located in:

Fruits and Vegetables. In corridors 1, 2, 3, 4 and 5.

The eight parking lots were completely remodeled where various works were carried out: painting of walls and points of access to corridors of buyers, waterproofing, asphalt laying and beaconing, among others.

In addition, a new lighting system was installed that included energy saving lamps, as well as security cameras that are controlled from the Center of Intelligence and Monitoring of this wholesale center.
