CENTER OF ATTENTION TO THE PARTICIPANT

The Participant Assistance Center (CAP) began activities in July 2013 with the aim of improving administrative services, legal certainty and transparency in the attention to Tenants and Participants in the procedures they carry out before the Administration of the Trust.

In the same place, the agile and transparent attention is concentrated where the Participant requests information, submits documents and obtains certificates, proofs of payment, authorizations and certified copies that are provided by the Direction and Coordination Offices of the Trust.

If a trader or tenant of the Wholesale Market needs to carry out a procedure in one of the areas of the Trust, he can go to the Participant Attention Center, located in the CEDA Treasury, administrative area, from Monday to Friday from 09:00 to 17:30 hours.
