

RESTROOMS

In the Wholesale Market of Mexico City there are 56 restrooms installed in various sectors of this business center. They are located as follows:

In the Groceries and Canned Products Sector, and Fruits and Vegetables Sector, the restrooms are located at the intersections of Aisles and Corridors

SECTOR	RESTROOMS
Groceries and Canned Products	9
Fruits and Vegetables	40
Fresh Flowers and Greenery	5
Eastern Bus Stop	1
Western Bus Stop	1

The Auctions and Product Producers Sector, and the Overnight Parking and Rest Area Sector also have restrooms; in addition, the latter has showers and washing machines.

All were remodeled in an integral way and the work consisted of the rehabilitation of the Black Water Treatment Plant and the replacement of the pumping equipment. Also, the water installations were renewed and 726 wc, 331 ecological urinals and 448 wash basins were replaced, as well as the change of swivels and coin machines, among other actions.
